

BOWEN GENEAOLOGY

David Albert Bowen
Born 1- 4-1821
died 1860
married to
Priscilla Jacobs
Born 12-6-1820
died sometime after 1880

According to William O. Bowen, ("Cowboy") as a boy, he remembered his grandfather Erastus telling him that he had worked on the family tree, researching all the way back to IRELAND. Erastus stated that the Bowen family ancestors migrated from Ireland to Wales during one of the many Irish famines, but did not know during which particular famine.
Also, Benjamin Bowen's great granddaughter, Ruth Ann, informed me that she found evidence of a **David C. Bowen**, with the EXACT birth date of **1-4-1821** (and death date of 4-28-1860) in Schellsburg, PA. Federal Death Records for the year ending 6/1860 listed David's cause of death as consumption; and his daughter Amanda's cause of death as pleurisy. David's occupation was listed as **School Teacher**.

The family patriarch, David Albert Bowen, was born in Wales and immigrated to the United States, where he was employed as a circuit rider and teacher (actually a Preacher.)
